

PROCARE LANDSCAPE MANAGEMENT, INC.

PROCARE RECEIVES 2006 AWARD FOR OUTSTANDING LANDSCAPE MAINTENANCE!

We at PROCARE are proud to have received the Award for Outstanding Landscape Maintenance from the Association of Grand Rapids Landscape Professionals! We received this award for our work at Bailey's Grove Home Owners' Association. This subdivision has three entrances, two parks, a clubhouse, and several cul-de-sac islands that PROCARE maintains.

Beyond our landscape maintenance work, we also snowplow the private roadways and common sidewalks throughout the development. PROCARE also has several residential accounts within this development because of the special pricing and quality work we are able to offer the Bailey's Grove neighborhood.

Congratulations to our staff! Quality work is rewarded and appreciated. Thank you to the Bailey's Grove home owners for trusting us with their patronage!
